## ORIENTATION GUIDE

---

### 1. Eligibility

- Ability to understand, read and write in French (ex: consent)
- In the event that the client is unilingual, to be eligible for our services, he or she must have a link with an immediate family member (partner or child) of a client already registered with the Centre de santé Communautaire de Timmins (CSCTimmins).

### 2. Becoming a client

- Please be advised that you are a client of CSCTimmins and not a client of a specific doctor or nurse practitioner.
- Access to all members of the interdisciplinary team (ex. registered nurse, dietitian, social worker) for continuity of care as needed. This increases the accessibility of our services and this model is put into practice to better serve our clients and their identified needs.

### 3. Interdisciplinary Team

- The CSCTimmins client will have access to all services in French in the primary care clinic as well as all community activities.
- If you are not a primary care client, you still have access to community programs, activities and workshops.

### 4. Appointments

- You must contact the office at least 24 hours prior to your appointment to notify the staff of your cancelation; not only for the clinic but for all service appointments.
- If you are more than 15 minutes late for your scheduled appointment, your appointment will be canceled and considered a “no show”.
- After your 3rd missed appointment without notification, a letter of notice will be sent to you by mail. If there is no response, your file will be closed. If you choose to contact us for services, your name will be added to our wait list to become a client.

### 5. Prescription Renewal

- You should contact your pharmacy **1 to 2 weeks** prior to your medication running out for a refill.

***I confirm that I have read and understand the Client Orientation Guide as well as the procedure listed. As a client of the Centre de santé communautaire de Timmins, I accept responsibility for the terms stated above and understand what this guide states.***

**CONSENT FOR THE COLLECTION, USE AND DISCLOSURE OF CLIENTS PERSONAL INFORMATION**

---

The Centre de santé communautaire de Timmins (CSCT) recognizes the importance of protecting your personal information and commits to collect, use and disclose your personal information in a honest and legal way by implementing good personal information protection practices, including information given to a third party.

The CSCT collects, uses and discloses the information to:

- Provide and manage secure primary health care services;
- Establish and assure ongoing and effective health services;
- Communicate with other service providers (with your consent);
- Provide community and health promotion services;
- Inform certain funding bodies such as Ontario's Ministry of Health and Ministry of Long-Term Care and the Local Health Intergration Networks in order to contribute to the planning et management of the health care system;
- Evaluate and plan your health needs;
- Establish and maintain communication with you;
- Manage the administrative operations of the CSCT;
- Participate in the research to improve the quality of health services or use the data collected for specific reseach purposes;

Respond to any other objective permitted or required by law (for exemple: reporting infectious diseases to Public Health).

You acknowledge that you have given an informed consent regarding the collection, use and disclosure of your personal information for the reasons listed above. If a new reason for the use or disclosure of your personal information appears, we will notify you and seek your consent beforehand.

You may ask to see and make changes to your personal information regarding your health. You can withdraw your consent to the use and disclose of your personal information at any time upon notice; at that time, the CSCT will explain how to proceed and the repercussions of your decision.

Please note that files of adults are destroyed after ten (10) years of inactivity.

I certify that I have received orientation regarding the services and programs offered by the CSCT.
